

## Onboarding Frequently Asked Questions

### Q: How are the classes separated?

A: Our classes are separated by age and rank. By doing this we are able to ensure students are in the proper learning group based on their personal level of development.

### Q: When are the classes? How do I know which class is right for me?

A: The appropriate class depends on your age and belt rank. Please click on the Class Schedule link. [Schedule | Kanreikai Karate of Connecticut](#)

### Q: How often will I advance?

A: There is a minimum of class hours that must be met and an understanding of the techniques that need to be learned. Effort, skills, and behavior is also a consideration. Please click on our Ranking System link. [Ranking System | Kanreikai Karate of Connecticut](#)

### Q: Do I need to reserve a class? How do I reserve a class?

A: All students MUST be reserved for classes through the Zen Planner app. Our class limit is 25 for juniors and 20 for adults. If a class is booked, you can be put on the waiting list. If you reserve a class but can't make it, you must cancel your reservation. Please click on the how to reserve a class link. [How to Reserve a Class | PDF](#)

### Q: Why Checking-In before class? Do I need to check In if I already reserve that class?

A: Reserving a class is required and it does not guarantee attendance. Upon arrival, all students must check-in to get credit for class hours (up to 15min before class starts). Attendance is the key in your journey, students who attend regularly have been shown to achieve their goals at higher levels.
